Juggling Life, Work, and Caregiving 1st Edition, by [Amy Goyer](#) (Author)

Silver Tsunami..... every day _____ people turn 65
In 2011 there were only 1 geriatric doctor to 8500 geriatric patients.

Caregiving Facts

16.6% of Americans provide unpaid care to an adult

7% of caregivers live more than two hours from the person they help

One-quarter of care recipients have problems with memory

40% of caregivers are men

56% of caregivers work full time

2 million Americans are caring for their own adult children

13% of caregivers are assisting a friend or neighbor
